Tas	0	0		
VIC	12	4	33%	\$940,150
WA	1	0	0%	

New South Wales

Scientific Title Bronchoprovocation testing in children using mannitol powder aerosols.

Administering Institution University of Sydney

Recommended Budget \$152,730

Chief Investigators

CIA A/Prof Hak-Kim Chan
CIB Dr Sunalene Devadason
CIC Prof Peter Sly
CID Dr Sandra Anderson

Scientific Title Reducing the Burden of Joint Replacement: An innovative Biofeedback Device for Post-Surgical Rehabilitation.

Administering Institution University of Wollongong

Recommended Budget \$169,000

Chief Investigators

CIA Prof Julie Steele
CIB Ms Bridget Munro
CIC Dr Peter Innis

Scientific Title A novel non-invasive diagnostic imaging technique of metastatic cancer using plasminogen activator inhibitor type 2

Administering Institution University of Wollongong

Recommended Budget \$187,500

Chief Investigators

CIA Dr Marie Ranson

CIB Dr Matthew Links

CIC Dr Martin Carolan

Scientific Title RNA Interference in model systems of macular degeneration.

Administering Institution University of New South Wales

Recommended Budget \$166,500

Chief Investigators

CIA A/Prof Levon Khachigian

Victoria

Scientific Title OPAL immunotherapy for AIDS

Administering Institution University of Melbourne

Recommended Budget \$470,500

Chief Investigators

CIA A/Prof Stephen Kent

CIB Prof Ian Ramshaw

Scientific Title Q-Sand (TM): Whispering Gallery Mode Detection System for Ultra sensitive and Label Free Testing in Biotechnology.

Administering Institution University of Melbourne

Recommended Budget \$127,500

Chief Investigators

CIA A/Prof Paul Mulvaney

CIB Prof Simon Foote

Scientific Title Development of a serum based test for aggressive prostate cancer.

Administering Institution Monash University

Recommended Budget \$144,650

Chief Investigators

CIA Prof Gail Risbridger

CIB Dr Sally Mellor

Scientific Title Modulating immune responses by targeting dendritic cells using dendritic cell specific markers.

Administering Institution Walter and Eliza Hall Institute

Recommended Budget \$197,500

Chief Investigators

CIA Prof Ken Shortman

CIB Dr Andrew Lew

CIC Dr Irina Caminshi

CID Dr Mireille Lahoud

Queensland

Scientific Title Automated seizure detection in the newborn.

Administering Institution University of Queensland

Recommended Budget \$243,750

Chief Investigators

CIA Prof Paul Colditz

CIB Prof Boualem Boashash

Scientific Title Development Of Novel And Selective Anticancer Drugs Derived From Cysteine.

Administering Institution University of Queensland

Recommended Budget \$264,250

Chief Investigators

CIA Prof David Fairlie
