**Report on Research Program**

The report should include the objectives of the research project; activities undertaken including discussion of techniques used; results and conclusions; collaborations established and facilities used; any patents applied for; any course work or practical training undertaken. A list of publications arising from this project should be provided under the four headings **(a) in print. (b) accepted. (c) submitted. (d) published abstracts.**

Please attach additional A4 size pages.

# NHMRC TRAINING FELLOWSHIPS SUPERVISOR'S REPORT YEARS:

The Supervisor's section should be completed after viewing the progress report. Comments should include whether progress on the project is satisfactory and whether there have been difficulties, including personal problems, which have interfered with the ability of the Fellow to make progress. If insufficient space, please add additional A4 pages.
