
Australian Sleep Health Clinical Trials Network (ASHCTN)

Enabling Grants Round 2 – Clinical Trials Infrastructure Support

1. Contact details:

Adelaide Institute for Sleep Health
Repatriation General Hospital
Daws Road
Daw Park SA 5041

Contact person: Melanie Harris, National Project Officer of Australasian Sleep Trials Network

Email: melanie.harris@rgh.sa.gov.au

Website: <http://www.sleeptrials.net>

2. Description of the facility/activity:

The Network provides infrastructure for the development and conduct of large-scale, high quality, clinical trials in sleep disorders. This infrastructure will be further developed over the life of the grant. Researchers and potential trial sponsors should contact the Network at any time using the above details. Information about educational and research meetings will be provided through the Thoracic Society of Australia and New Zealand and the Australasian Sleep Association and a Network mailing list.
