## NHMRC – European Union Collaborative Research Grants (NHMRC – EU Scheme) for Funding Commencing in 2014

The information presented on this page is provided to the research community as advice about the outcomes of the competitive peer review process for this scheme.

In accordance with the Funding Agreement between the Commonwealth of Australia and the Institution in respect of NHMRC research funding schemes, the Institution must ensure that all relevant reporting requirements are met and that relevant approvals for the research are obtained and maintained for the duration of the Project.

NHMRC will contact researchers and their Research Administration Officers in relation to meeting requirements, including eligibility, before the commencement of funding. Funding will not commence until all relevant requirements have been met.
