

NHMRC Centres of Research Excellence (CRE) for Funding Commencing in 2023

The Centres of Research Excellence (CRE) scheme supports research that aims to improve health outcomes and promote or improve translation of research outcomes into policy and/or practice.

CREs awarded in 2023 will provide support for teams of researchers to pursue collaborative research and develop capacity in clinical, health services and public health research.

The applications listed below were approved for funding by the Minister for Health and Aged Care, the Hon. Mark Butler MP
