1. Introduction

IMPORTANT NOTE:
The material in this Quick Reference Guide (QRG) is intended to complement other QRGs for Academy members and the RGMS User Guide – Assigner Processes, available on the Assigners Academy page of the NHMRC website.

Further information and assistance with Assigner processes is available from the Assigners Academy team via email or from NHMRC’s Research Help Centre (RHC) by phone between 9am and 5pm AEST/AEDT Monday to Friday.

IMPORTANT NOTE:
This Quick Reference Guide refers to processes involving assessors based at overseas institutions. Please note the following key differences in the process of securing external assessments from OSEAs:

- **OSEAS** do not utilise RGMS directly for responding to invitations, declaring COIs, or submitting assessments, and Academy members cannot do this on behalf of an OSEA in RGMS. Please forward any email correspondence from OSEAs to nhmrc.overseasassessments@nhmrc.gov.au to assist NHMRC in co-ordinating these processes.
- When setting up a new invitation instance, use the Candidate Without RGMS Profile field. It is important for NHMRC to be able to trace assessments contributed by assessors at overseas institutions, so please do not send invitations to OSEAs via an existing RGMS account.
- When sending an invitation, ensure that the Candidate Lives Overseas? drop-down menu is set to “Yes”.
- OSEAs will not receive RGMS-generated email reminders in advance of the deadline for submitting assessments. Please maintain direct contact with the OSEA to ensure that this deadline is met.

Further information can be found in Quick Reference Guide Part 4. Inviting Overseas External Assessors (OSEA) and the RGMS User Guide – Assigner Processes, which are available on the Assigners Academy page of the NHMRC website.
2. Monitoring Progress for Multiple Applications

How to Navigate

From the RGMS Home Page:
- Select the Assigners tab
- Open the Assignments – Assigners and Applications page by selecting any one of the last three Quicklinks for Assigners.

What it looks like

- The Assignments - Assigners and Applications page displays applications for which you are responsible.
- These are sorted by application number in the Applications column.
The columns on the centre-right provide a status summary of your assigned applications.

For each application listed, your progress (e.g. the number of external assessors who have accepted invitations and completed assessments) is displayed in columns to the right. These columns are:

- **Invitations** - the number of external assessors you have invited to review an application.
- **Resend** - the number of invitations for an application that were resent after the two-day “no response” period.
- **Accepted** - the number of external assessors who have accepted an invitation to review an application.
- **Completed** - the number of completed assessments lodged in RGMS for an application.
- **Declined** - the number of external assessors who have declined an invitation to review an application.
- **Overdue** - the number of pending external assessments for an application that have passed the due date.
- **Cancelled** - the number of invitations for an application that have been cancelled.

You can sort the data in these columns from high-to-low or low-to-high, as suits your needs, by clicking the title of the column.

For example, you may wish to know how many of your applications have zero accepted invitations.

- Click on the title of the Accepted column and RGMS re-sorts the data from low-to-high according to the number of accepted invitations.
- Click on the title of the Accepted column again to re-sort the data from high-to-low.

What it looks like

Open the required application by selecting either the Properties icon or the Application hyperlink.

The Assigner Application: General – Properties page will open.

4. Extending the Due Date for External Assessments

External assessors are initially asked to complete their assessment within 14 calendar days from the date they accept the invitation. However, an Academy member may extend the due date if required.

**IMPORTANT NOTE:**
The due date for an assessment **cannot** be extended past the **Assessment Must Be Completed By** date. See below for further details.

**How to Navigate**

Navigate to the Assigner Application: Assignments Properties page as described in section 3.

Click on the Last Name of the External Assessor for whom you wish to extend the due date.

The Assigner Application: Assignment Properties page will open. Review the **Assessment Must Be Completed By** date. RGMS will not process an extension past this date.
Select the Calendar icon. A Calendar appears in a pop-up window. Click on the appropriate date and press Save and Return.
