**2182**  
Applications  
received

**232**  
Grants awarded

**11.06%**  
Funded  
Rate\*

The objective of the Ideas Grant scheme is to support innovative research projects addressing a specific question(s).

The expected outcomes of the scheme are:

- innovative and creative research
- funding of researchers at all career stages
- funding any area of health and medical research from discovery to implementation.

**\$268.39**
