

Program Day 1: Tuesday 27 November 2018

	Registration - ABS Foyer 8am-9am			
9am-11am	Opening Session Welcome to Country - Uncle Chicka Madden Video Welcome from the Minister - The Hon Greg Hunt MP Professor Anne Kelso AO and Professor Paul Glasziou Introduction by Sir Iain Chalmers Keynote Address - Hilda Bastian Room: ABS Auditorium			
	Morning Tea 11am-11:30am			
1130am-1pm	Plenary Session 1: Re-imagining failure when conceptualising research Room: ABS Auditorium Chair: Professor Sally Green Professor Malcolm Macleod Professor Paul Glasziou Professor Sophia Zoungas Professor Rachelle Buchbinder			
	Lunch 1pm-2pm			
2pm - 3.30pm	1A-Implementation Science Chair: Erica Crone Room: Lecture Theatre 1050	1B - Setting Research Priorities Chair: Tania Pocock Room: Lecture Theatre 1060	1C - Improving Research Systems Chair: Paul Glasziou Room: ABS Auditorium	1D - Capacity to Ensure Research Value Chair: Saraïd Billards Room: Lecture Theatre 1170
	Quantification of translational success: rates of concordance between the results of animal experiments and human trials – A systematized review Cathalijn Leenaars	Research priorities in chronic kidney disease: report of a national workshop Allison Tong	Turning the tables: Examining the feasibility of an institutional league table based on good research practice Adrian Barnett	Acting for positive change: Improving the health of rural communities Elena Wilson
	Utilizing the stepped wedge cluster randomized controlled trial design to test the effectiveness of health systems interventions: A "real-world" implementation research study to assess the effectiveness of a new model of care for community-acquired Harin Karunajeewa	Involving consumers and community members in setting research priorities Anne McKenzie	Exemptions from ethics reviews – comparing Australia to the UK, USA and the Netherlands Anna Scott	Long term outcomes of a supported funding initiative to promote allied health research activity: A qualitative realist evaluation Joanne Hilder
	Defining and measuring 'implementation success' in health service research: a case study of implementation of the Clinical Pathway for the Screening, Assessment and Management of Anxiety and Depression in Adult Cancer Patients (ADAPT CP). Heather Shepherd	A whānau-centred approach to producing justifiable research priorities: Insights from an indigenous Commissioning Agency Haze White	Ensuring Value in Research International Funders' Collaboration and Development Forum Guiding Principles (www.ensuringvalueinresearch.org). Matthew Westmore	Beyond the usable report: whose responsibility is it to translate research outside the academic sphere to optimise its value to human society? Shanthi Ramanathan
	Process evaluations of complex primary health care interventions addressing chronic disease - a systematic review Hueiming Liu	Identifying research priorities in childhood chronic conditions. Pamela Lopez-Vargas	Maximising the probability of impact: The UK's National Institute for Health Research Adding Value in Research Framework Matthew Westmore	Ensuring Value in Research: Capacity Building in Aboriginal and Torres Strait Islander Health Research Ruth Fernandes
	Evidence-informed framework to Refocus qualitative health services research Joanna Mason	Development of a multi-attribute tool for setting priorities for trials in the musculoskeletal field: A project of the Australia and New Zealand Musculoskeletal (ANZMUSC) Clinical Trial Network Rachelle Buchbinder	Netherlands' ZonMw programme More Knowledge with Fewer Animals Merel Ritskes-Hoitinga	Evidence into action: building organisational capacity for realising the value of research. Ken Knight
	Understanding and defining implementation fidelity to facilitate better understanding of intervention implementation outcomes Rajna Ogrin		Principles for prospective research impact assessment in health and medical research: Embedding research quality within research impact assessment Simon Deeming	How does clinical staff participation in research change with a dedicated staff role focusing on academic support? Kylie Dundas
	Afternoon Tea 3:30pm-4pm			
4pm-5:30pm	Plenary Session 2: Is Cumbersome Governance Killing Research Room: ABS Auditorium Chair: Professor Jeffrey Braithwaite Professor Sallie Pearson Dr Tony Penna Professor Ingrid Winship Dr Matthew Westmore			
5:30pm-7:30pm	WELCOME RECEPTION - ABS Foyer DAY 1 Close
