

**NHMRC Grantee Variation Policy – Applicability Matrix**

Reflecting the objectives of each funding scheme and their respective peer review process, the following table summarises which Grantee Variations are necessary for each funding scheme:

<b>Applicable</b>	Chief Investigator As (CIAs) must submit a request to NHMRC via RGMS to make these changes to an NHMRC grant.
<b>Not Available</b>	This type of Grantee Variation is not possible for this funding scheme.
<b>Not Required</b>	CIAs do not need to advise NHMRC of these changes for these funding Schemes.

	Defer Commencement Date	Extend End Date	Extended Leave Request	Defer In-progress	Change in FTE	Relinquishment	Change in Administering Institution	Change in Supervisor	Change in Chief Investigator	Change in Research Plan	Change in Associate Investigator
